

Morocco — Sahara Dream with JNBT

04 — 11.12.2023

We invite you to a unique and exciting horse ride in the Sahara - the largest hot desert in the world, combined with JNBT training.

This is a great opportunity to test your skills and develop relationships with horses in accordance with the Academy model and with light aids - under the supervision and support of the JNBT trainer. And all this in just 7 days and surrounded by wonderful nature ☺.

We will start and end our expedition in the city of Zagora, called the "gate of the desert", from where we will follow the trail of ancient caravans. The journey mainly leads through open spaces with rocky ground. The landscape of the Draa Valley, through which we will travel, is considered one of the most beautiful in Morocco - in addition to the desert and sand dunes, we will also see oases and palm groves, picturesque gardens surrounded by walls and villages with Kasbah-style houses. Along the way, you should also encounter encounters with nomads and camels.

The rally includes long walks, trots and cantering. We will spend about 4-5 hours a day in the saddle (except for the last day).

The price of the rally includes:

- ❖ horse with full equipment including saddlebags
- ❖ transfer from/to the airport on the start/end day of the rally
- ❖ first and last night at the hotel/riad
- ❖ meals from dinner on day 1 to breakfast on day 8
- ❖ two-person tents with sleeping pads
- ❖ transport of luggage along the rally route
- ❖ guides and staff
- ❖ coaching care of the JNBT Academy
