

Morocco — JNBT Training Camp

26.03 — 02.04.2024

Join us at a unique horse training camp on the beautiful coast of the Atlantic Ocean in Morocco.

The camp is a great opportunity to develop proper relationship with completely new horses in accordance with the Academy model and on light aids - under the watchful eye of JNBT Academy trainers. And all this in just 7 days and surrounded by wonderful nature☺. Surfing lessons for volunteers. We will also visit the cities of Marrakesh and Essaouira.

Our camp will be in tents by the beach south of Essaouira. Classes will take place on the beach and in the surrounding area terrain (cliffs, dunes, palm groves).

The camp is intended for people already riding horses (also for young people aged 14-18).

We want to devote this training camp to **improving communication with balance and seat**, as well as building **relationships leading to lightness**.

The price of the camp includes:

- ❖ horse with row and saddlebags
- ❖ transfer from/to the airport (Marrakesh or Agadir - to be confirmed, or Essaouira) on the day of the start/end of the camp
